The successful running of the show events listed relies on members volunteering to assist and all members helping on our stand at the shows gain free entrance to the event and an extra fishing visit.

We hope to be able to organise some Junior and / or Adult Fly Fishing Courses during the year. For up to date information please view our website or contact Kevin Reeves, telephone: 01825 790648, or email: cinderhillflyfishing@gmail.com

Members help on just one occasion will make a valued contribution to the continuing success of Cinder Hill Fly Fishing
